

CITY OF SAN DIEGO

Proposition D

(This proposition will appear on the ballot in the following form.)

PROP D

REVISES THE CITY CHARTER RELATING TO THE STRONG MAYOR FORM OF GOVERNANCE. Shall the Charter be revised to make permanent the Strong Mayor form of governance; add a ninth Council seat; and, when the ninth seat is filled, increase the Council votes required to override a mayoral veto to a two-thirds vote?

This proposition requires approval by a simple majority (over 50%) of the voters voting on the proposition.

The proposed charter amendment follows the arguments.

OFFICIAL TITLE AND SUMMARY

REVISES THE CITY CHARTER RELATING TO THE STRONG MAYOR FORM OF GOVERNANCE, ADDS NINTH COUNCIL SEAT, AND INCREASES NUMBER OF VOTES TO OVERRIDE MAYORAL VETO.

Revises the Charter to repeal the sunset date of December 31, 2010 for, and make permanent, the Strong Mayor (Mayor-Council) form of government. Creates a ninth Council District in the redistricting process following the 2010 Census. Provides for election of the ninth Councilmember at the next regularly scheduled municipal primary and general elections following the redistricting process. Once the ninth Councilmember is seated, the number of Council votes needed to override a mayoral veto on any matter would increase from five to six (two-thirds of the nine-member Council).

CITY ATTORNEY'S IMPARTIAL ANALYSIS

Background. From 1931 to 2006, the City of San Diego was governed by an elected City Council and an appointed City Manager. Since 1965, the City Council, serving as the City's legislative body, has included eight Councilmembers and the Mayor. The City Manager, serving as chief administrative officer, ran day-to-day affairs, supervised City departments and proposed the City budget for Council approval.

Strong Mayor Trial Period. On January 1, 2006, the City began a five-year, voter-approved experiment to evaluate a Strong Mayor (also known as Mayor-Council) form of government. This structure removes the Mayor from the Council. The Mayor becomes the Chief Executive Officer and assumes executive authority, power, and responsibilities previously held by the Manager.

CITY ATTORNEY IMPARTIAL ANALYSIS (CONTINUED)

The Mayor prepares the annual budget for the Council's consideration and adoption, subject to a Mayoral line-item veto process. The Council-appointed Independent Budget Analyst provides budget analysis for the Council.

The Mayor appoints the City Manager, Police Chief, and Fire Chief, subject to Council confirmation. Charter amendments in 2008 empower the Mayor to appoint the City Auditor and Chief Financial Officer, with Council confirmation. The Mayor appoints the Treasurer and all other managerial department heads formerly under the Manager; these positions serve at the Mayor's pleasure.

The Council sets the City's legislative agenda, establishes its own rules, and elects a presiding officer (Council President). The Mayor, City Attorney, and Council President jointly set the agenda for closed session meetings; when present, the Mayor presides over closed session meetings. The Mayor may attend Council meetings, but may not vote, and must approve or veto most Council actions. The Council must reconsider vetoed items and may override vetoes, usually with a five-vote majority.

Proposal. In 2008, voters required the Council to place this measure before voters.

If the measure is approved, it will establish a Strong Mayor form of government for the City similar to that tested during the trial, with certain differences: The number of Council districts will increase from eight to nine. The ninth district will be established by redistricting following the 2010 Census. Voters in the new 9th Council District will nominate and elect their Councilmember at the next regularly scheduled municipal primary and general elections following the redistricting process. The number of Council votes required to override a Mayoral veto on any matter will increase from five to six (two-thirds), effective when the ninth Councilmember is seated.

If the measure fails, the Strong Mayor form of government will expire December 31, 2010. City government will return to a Council-Manager form, similar to that existing before the trial period, except for the continued existence of City Offices approved by voters in 2008. The new Offices include the City Auditor, supervised by an Audit Committee; a Chief Financial Officer; and the Independent Budget Analyst.

FISCAL IMPACT STATEMENT

The fiscal impact analysis of this ballot measure includes the expenses required to make the Strong Mayor Form of Governance permanent, increase the number of Council districts to nine, and increase the number of City Council votes required to override a Mayoral veto. It is anticipated that there will be no additional costs as a result of making the Strong Mayor Form of Governance permanent because the expenses associated with this type of government are currently in effect and have been included in the current budget. It is also anticipated that the increase to the veto override vote will not have a fiscal impact.

However, it is anticipated that the additional Council District will have a fiscal impact to the City's General Fund.

Each of the following estimates is subject to the City's budget process and may be adjusted depending on whether future City budgets absorb any costs of the new Council District. It should be noted that annual and one-time expenses could be offset by reductions to other areas of the City's General Fund budget which could impact other services or programs.

The estimated costs of adding an additional Council District include annual expenses of \$939,500 to \$971,500 for staff salaries and supplies based on current City Council Office budgets. Additional one-time expenses of \$80,000 to \$100,000 are anticipated for equipment, furniture and facility improvements. These costs will not be incurred until the new Council seat is filled in 2012.

The cost of running an election for the new Council seat would be paid by the City every four years. The amount is set by the number of voters in the district and how many candidates run for the seat. For the current election, for example, the costs for the primary election in a given Council District are estimated to be between approximately \$25,000 and \$43,000. For a general election, with only two candidates in the race, the estimate is \$14,000 to \$29,000 per district.

ARGUMENT IN FAVOR OF PROPOSITION D

DEMAND ACCOUNTABILITY, CHECKS AND BALANCES AT CITY HALL

DON'T GO BACK TO AN OUT-DATED SYSTEM

Before 2004, when voters approved the Strong Mayor-Strong Council reform, the un-elected City Manager had a vested interest in sweeping problems under the rug. Hiding problems from the public allowed past City Councils to avoid making tough decisions, and it allowed the City Manager to keep his job.

That's how we got –

- Over \$2 billion in unfunded employee pension obligations
- Hundreds of millions in deferred maintenance for streets, parks, libraries and recreation centers
- Elimination of the fire-fighting helicopter prior to the 2003 wildfires

NEW CHECKS AND BALANCES PROTECT TAXPAYERS

The Strong Mayor-Strong Council reform – approved by voters on a 5-year trial basis in 2004 – created executive and legislative branches of City government.

The Mayor became the chief executive, accountable to voters for City administration. When something goes wrong in City administration, the buck stops with the Mayor – no more finger-pointing without anyone taking responsibility.

The City Council became the legislative branch, responsible for reviewing and approving the Mayor's budget. The Strong Mayor-Strong Council reform also created the Independent Budget Analyst to analyze and question the financial information provided by the City. Problems that were previously swept under the rug are now subjected to vigorous and open public debate.

As a result, major financial reforms were enacted and Wall Street has restored our City's credit rating.

YES ON PROPOSITION D TO MAKE REFORMS PERMANENT

Proposition D makes the reforms approved by voters in 2004 permanent; it also restores the ninth Council seat (eliminated when the Mayor became chief executive) and makes a Mayoral veto meaningful by requiring a two-thirds Council majority to over-ride it.

ARGUMENT AGAINST PROPOSITION D

THERE ARE MANY GOOD REASONS TO OPPOSE STRONG MAYOR AND VOTE NO ON PROP D

PROP D COULD COST TAXPAYERS MILLIONS of dollars to pay for a new council office and staff

PROP D PERMANENTLY REMOVES MAYOR FROM VOTING IN PUBLIC at open council meetings

PROP D ALLOWS TOO MANY DECISIONS to be made behind closed doors

PROP D OPENS THE DOOR TO SPECIAL INTERESTS but limits community access

PROP D PUTS A POLITICIAN IN CHARGE of daily city operations

PROP D DELAYS ACCOUNTABILITY for bad decisions and overspending

PROP D ADDS MORE GOVERNMENT RED TAPE by requiring supermajority votes

YOUR "NO" VOTE ON PROP D WILL AUTOMATICALLY REFORM CITY GOVERNMENT

SAVES TAXPAYERS MILLIONS by preventing unnecessary spending for bigger city council

RESTORES MAYOR AS LEADER of the city council to help set policy and respond in public to your community concerns

REQUIRES MAYOR TO VOTE IN PUBLIC instead of making decisions behind closed doors

INCREASES DIRECT PUBLIC ACCESS to the mayor by allowing the community to voice their concerns directly, not through staff

INSTALLS A QUALIFIED PROFESSIONAL MANAGER, not a politician, to run daily city operations

ASSURES IMMEDIATE ACCOUNTABILITY because the manager can be fired for failing to do a good job for the public – no waiting four years for an election

INCREASES GOVERNMENT EFFICIENCY by allowing a majority vote to get things done

WE EXPERIMENTED WITH STRONG MAYOR FOR FIVE YEARS: WHAT DOES YOUR COMMUNITY HAVE TO SHOW FOR IT?

Reduced City Services. More Budget Cuts. Growing Deficits and Crumbling Infrastructure. NO REAL PLAN for Restoring Public Safety and Basic Neighborhood Services like Parks, Streets and Libraries.

Article II

Nominations and Elections

Section 4: Districts Established.

For the purpose of electing members of the Council the City shall be divided into eight Districts as nearly equal in population as practicable. A ninth Council district shall be created in the redistricting following the 2010 national decennial census, at which time the City shall be divided into nine (9) council districts as nearly equal in population as practicable. ~~For the municipal primary and general election in 1966, the boundaries of the eight council districts shall be established by the City Council as such Council was elected at the municipal election in 1963.~~ Thereafter the boundaries of such districts shall be subject to alteration and change under the provisions of this Charter.

In any redistricting plan adopted by the Redistricting Commission pursuant to Section 5.1 or ordinance adopted by the Council establishing, changing or altering the boundaries of any Council district, the redistricting plan or ordinance may describe the new boundaries by reference to a map on file in the office of the City Clerk; a metes and bounds description of the new boundaries need not be contained in said redistricting plan or ordinance.

Section 5.1: Redistricting Commission

The members of the City Council shall be elected by districts, as follows:

Subject to the provisions of the City Charter relating to referendum and initiative powers of the people, the sole and exclusive authority to adopt plans which specify the boundaries of districts for the City Council is vested in the Redistricting Commission, to be established by this Section.

Commencing in the year following the year in which the national decennial census is taken under the direction of the United States Congress at the beginning of each decade, the Redistricting Commission shall adopt plans that redistrict the City into ~~eight (8)~~nine (9) Council districts designated by numbers 1 to 8-9 inclusive. Those districts shall be used for all elections of Council members, including their recall, and for filling any vacancy in the office of member of the Council, subsequent to the effective date of this Section (and until new districts are established).

No change in the boundary or location of any district by redistricting as herein provided shall operate to abolish or terminate the term of office of any member of the Council prior to the expiration of the term of office for which such member was elected.

Districts formed by the Redistricting Commission shall each contain, as nearly as practicable, ~~one-eighth-ninth~~ of the total population of the City as shown by the Federal census immediately proceeding such formation of districts.

Each redistricting plan shall provide fair and effective representation for all citizens of the City, including racial, ethnic, and language minorities, and be in conformance with the requirements of the United States Constitution and Federal statutes.

To the extent it is practical to do so, districts shall: preserve identifiable communities of interest; be geographically compact – populous contiguous territory shall not be bypassed to reach distant populous areas; be composed of whole census units as developed by the United States Bureau of the Census; be composed of contiguous territory with reasonable access between population centers in the district, and not be drawn for the purpose of advantaging or protecting incumbents.

The Redistricting Commission shall be composed of seven (7) members who shall be appointed by the Presiding Judge of the Municipal Court, San Diego Judicial District. In the event that the Presiding Judge declines to make the appointments, they shall be made by a Municipal Court Judge selected by vote of the Judges of the Municipal Court, San Diego Judicial District. Should the Judges of the Municipal Court decline to so act, then the Redistricting Commission shall be appointed by a panel of three retired Superior Court Judges drawn at random by the City Manager in the fashion described in Penal Code sections 900(a) and 902. In the event that all of the preceding individuals decline to act, then the Redistricting Commission shall be appointed by a majority vote of the City Council in the fashion set forth below. The term "Presiding Judge," as

used herein below, shall include any person or any body acting to appoint the Redistricting Commission pursuant to the provisions of this paragraph.

The City Clerk shall solicit nominations for appointment to the Redistricting Commission in accordance with this Section and shall distribute to the news media the announcement of a thirty (30) day nomination period (which shall commence on July 1, 2000, and on July 1 of every year in which a national decennial census is taken) and the guidelines for selection of Commission members.

Individuals or organizations desiring to nominate persons for appointment to the Commission shall do so in writing to the City Clerk within the nominating period. The City Clerk shall transmit the names and information regarding all nominees with the names of nominating individuals and organizations to the Presiding Judge immediately upon the close of nominations. The Presiding Judge shall appoint the members constituting the Commission no later than November 1, 2000, and on November 1 of every year in which a national decennial census is taken. The Presiding Judge shall appoint women and men who will give the Redistricting Commission geographic, social and ethnic diversity, and who, in his or her judgement, have a high degree of competency to carry out the responsibilities of the Commission. The appointees shall include individuals with a demonstrated capacity to serve with impartiality in a nonpartisan role.

Each member of the Commission shall be registered to vote in The City of San Diego.

Persons who accept appointment to the Commission, at the time of their appointment, shall file a written declaration with the City Clerk stating that within five (5) years of the Commission's adoption of a final redistricting plan, they will not seek election to a San Diego City public office. The members of the Redistricting Commission shall serve until the redistricting plan adopted by the Commission becomes effective and any and all legal and referendum challenges have been resolved.

Any vacancy in the Redistricting Commission which occurs after the Commission is constituted shall be filled within seven (7) calendar days by the Presiding Judge of the San Diego Municipal Court, San Diego Judicial District, following the same procedure and using the same criteria established with this Section and making the selection from the same pool of individuals given consideration for appointment when the Commission was constituted.

Within twenty (20) days after the membership of the Commission is appointed, it shall hold its first meeting at a time and place designated by the City Clerk.

All Commission meetings shall be open to the public and Commission records, data and plans shall be available, at no charge, for public inspection during normal business hours in the office of the City Clerk. Copies of records and plans shall be provided, for a reasonable fee, to any interested person.

The Commission shall elect a chair and a vice chair and shall employ a chief of staff, who shall serve at the Commission's pleasure, exempt from Civil Service, and shall contract for needed staff, technical consultants and services, using existing City staff to the extent possible.

Aye votes by 5 members of the Commission shall be required for the appointment of its chief of staff, the election of its chair, and the adoption of the final redistricting plan and a majority vote of the Commission shall be required for all other actions. A majority of the entire Commission shall constitute a quorum for the transaction of business or exercise of any power of the Commission.

The Commission shall make every reasonable effort to afford maximum public access to its proceedings. It shall solicit public comment and shall hold at least four (4) public hearings in various geographic areas of the City before the preparation of a preliminary redistricting plan.

At least thirty (30) days prior to the adoption of a final plan, the Commission shall file a preliminary plan with the City Clerk, along with a written statement of findings and reasons for adoption which includes notation of all criteria employed in the process and a full analysis and explanation of decisions made by the Commission.

During the thirty (30) day period after such filing, the Commission shall hold at least three (3) public hearings in various geographic areas of the City before it adopts a final plan. Upon approval of the final plan, the Commission shall adjust the boundaries of any or all of the Council districts of the City pursuant to the final plan. Said final redistricting plan shall be effective thirty (30) days after adoption and shall be subject to the right of referendum in the same manner as are ordinances of the City Council. If rejected by referendum, the same Commission shall create a new plan pursuant to the criteria set forth in Sections 5 and 5.1.

PR-09L0-10

Within sixty (60) days after the members of the Commission are appointed, the Commission shall adopt a budget and submit it to the Presiding Judge. If he or she approves it, it shall be forwarded to the City Council for its consideration. The City Council shall appropriate funds to the Commission and to the City Clerk adequate to carry out their duties under this Section.

If any part of these amendments to Sections 4 or 5 of the Charter or the addition of Section 5.1 to the Charter or their application to any person or circumstances is held invalid, the invalidity shall not affect other provisions or applications which reasonably can be given effect without the invalid provision or application.

Section 10: Elections

Elective officers of the City shall be nominated and elected by all of the electors of the City except that City Council members ~~other than the Mayor~~ shall be nominated and elected by the electors of the district for which elective office they are a candidate.

Commencing with the year 1996, the municipal primary elections to the office of Council member for Districts 1, 3, 5, and 7 shall be held on same date in each election year as the California State primary election, and the general municipal election for these offices shall be held on the same date as the California State general election for that year. Commencing with the year 1998, the municipal primary elections to the offices of Council member for Districts 2, 4, 6, and 8 shall be held on same date in each election year as the California State primary election, and the general municipal election for these offices shall be held on the same date as the California State general election for that year.

Commencing with the next municipal primary and general elections following the redistricting occurring after the 2010 national decennial census, and every four years thereafter, the municipal primary and general elections to the office of Council District 9 shall be held.

Commencing with the year 1984 the elections to the offices of Mayor and City Attorney shall be held every four (4) years. The municipal primary election for the offices of Mayor and City Attorney shall be held on the same date in each election year as the California State primary election, and the general municipal election for these offices shall be held on the same date as the California State general election for that year. All other municipal elections which may be held under this Charter shall be known as special municipal elections.

All elective officers of the City shall be nominated at the municipal primary election. In the event one candidate receives the majority of votes cast for all candidates for nomination to a particular elective office, the candidate so receiving such majority of votes shall be deemed to be and declared by the Council to be elected to such office. In the event no candidate receives a majority of votes cast as aforesaid, the two candidates receiving the highest number of votes for a particular elective office at said primary shall be the candidates, and only candidates, for such office and the names of only those two candidates shall be printed upon the ballots to be used at the general municipal election.

At the general municipal election held for the purpose of electing Council members other than the Mayor the electors of each Council district shall select from among the candidates chosen at the primary election in that district one candidate for the office of the Council member whose term expires the succeeding December. At the general municipal election held for the purpose of electing any other elective officer there shall be chosen by all of the electors of the whole City from among the candidates chosen at the primary one candidate to succeed any other elective officer whose term expires in December succeeding the election.

After the result of an election for any office is declared, or when an appointment is made, the City Clerk, under his hand and official seal, shall issue a certificate therefor, and shall deliver the same immediately to the person elected or appointed, and such person must within ten days after receiving such certificate file his official bond, if one be required for his office, and take and subscribe to the oath of office required of him by this Charter, which oath must be filed with the City Clerk.

Article III
Legislative Power

Section 12: The Council.

(a) ~~The Council shall be composed of nine (9) Councilmembers, including the Mayor, and shall be the legislative body of the City and, each of the its members of which including the Mayor, shall have the right to vote upon all questions before it.~~

(b) At the municipal primary and general election in 1979, a Mayor shall be chosen by the electors for a term of five (5) years. A Mayor shall thereafter be elected for a term of four (4) years in the manner prescribed by Section 10 of this Charter. The Mayor shall hold office for the term prescribed from and after 10 a.m. the first Monday after the first day of December next succeeding the election and until a successor is elected and qualified.

(c) At the municipal primary and general elections in 1993, the Council members for Districts 1, 3, 5, and 7 shall be chosen by the electors for a term of three (3) years. Council members for Districts 1, 3, 5, and 7 shall thereafter be elected for a term of four (4) years in the manner prescribed by Section 10 of this Charter. Electors shall choose the council member for District 9 at the next municipal primary and general elections following the redistricting after the 2010 national decennial census. The initial term for the District 9 Council member shall be four (4) years. The Council member for District 9 shall thereafter be elected for a term of four (4) years in the manner prescribed by Section 10 of the Charter.

(d) At the municipal primary and general election in 1995, Council members for Districts 2, 4, 6, and 8 shall be chosen by the electors for a term of three (3) years. Council members for Districts 2, 4, 6, and 8 shall thereafter be elected for a term of four (4) years in the manner prescribed by Section 10 of this Charter.

(e) Except as provided in this Section, Council members, shall hold office for the term of four (4) years from and after 10 a.m. the first Monday after the first day of December next succeeding their election and until their successors are elected and qualified.

(f) Notwithstanding any other provision of this Charter and commencing with elections held in 1992, no person shall serve more than two consecutive four-year terms as a Council member from any particular district. If for any reason a person serves a partial term as Councilmember from a particular district in excess of two (2) years, that partial term shall be considered a full term for purposes of this term limit provision. Persons holding office prior to the November 1992 election shall not have prior or current terms be counted for the purpose of applying this term limit provision to future elections.

(g) Upon any redistricting pursuant to the provisions of this Charter, incumbent Council members will continue to represent the district in which they reside, unless as a result of such redistricting more than one incumbent Council member resides within any one district, in which case the City Council may determine by lot which Council member shall represent each district. At the next municipal primary and general elections following a redistricting, Council members shall be elected from those districts not represented and from those districts represented by incumbent Council members whose terms expire as of the general election in said year. If as a result of any redistricting more than a simple majority of the City Council as redistricted shall be elected at either the municipal primary or general election next following any such redistricting, the City Council prior to any such election shall designate one or more new districts for which the initial council term shall be two (2) years in order to retain staggered terms for Council members.

(h) If a vacancy occurs for any reason in the office of a Council District, the procedures set forth in Charter section 12(h) shall be followed:

(1) If the vacancy occurs for any reason other than a successful recall election,
and,

(A) If the vacancy occurs with one (1) year or less remaining in the term, the Council shall appoint a person to fill the vacant seat on the City Council. Any person appointed by the Council to fill a vacant Council District seat shall not be eligible to run for that office for the next succeeding term; or,

(B) If the vacancy occurs with more than one (1) year remaining in the term, the Council shall call a special election to be held within ninety (90) days of the vacancy, unless there is a regular municipal or statewide election scheduled to be held within 180 days of the vacancy. If there is a regular municipal or statewide election scheduled to be held within 180 days of the vacancy, the Council may consolidate the special election with that regular election.

(i) If one candidate receives the majority of votes cast for all candidates in the special election, the candidate receiving the majority of votes cast shall be deemed to be and declared by the Council to be elected to the vacant office.

(ii) If no candidate receives a majority of votes cast in the special election, a special run-off election shall be held within forty-nine (49) days of the first special election, unless there is regular municipal or statewide election scheduled to be held within ninety (90) days of the proposed special run-off election date, at which time the City Council may consolidate the special run-off election with that regular election. The two (2) candidates receiving the highest number of votes cast for the vacant seat in the first special election shall be the only candidates for the vacant Council seat and the names of only those two (2) candidates shall be printed on the ballot for that seat.

(2) If a vacancy occurs by reason of a successful recall election, the Council shall adopt procedures to fill the vacancy.

Whether a person is appointed or elected to fill a vacant Council District seat, whatever the reason for the vacancy, that person shall serve as that District's Councilmember for the remainder of the unexpired term.

For purposes of Charter section 12(h), a vacancy may result from death, resignation, recall, or unexcused absences as described in Charter section 12(i). If a vacancy occurs by reason of a resignation, the date of the vacancy will be the date specified in the written letter of resignation or, if there is no date certain specified in the letter, upon the date of receipt of the letter by the City Clerk.

(i) It is the duty of the Council members to attend all Council meetings. The Council shall vacate the seat of any Councilmember who is absent from eight (8) consecutive meetings or fifty percent (50%) of any scheduled meetings within a month unless the absence thereof is excused by resolution of the Council.

(j) Council members, ~~including the Mayor,~~ shall devote full time to the duties of their office and not engage in any outside employment, trade, business or profession which interferes or conflicts with those duties.

(k) Council members shall not be eligible during the term for which they were appointed or elected to hold any other office or employment with the City, except as Mayor or City Attorney and as a member of any Board, Commission or Committee thereof, of which they are constituted such a member by general law or by this Charter.

Section 13: Meetings of the Council

~~The Council shall provide by ordinance for the time and place of holding its meetings; provided, however, that there shall be at least one regular meeting in each week. Any regular meeting may be adjourned to a date and hour certain, and such adjourned meeting shall be a regular meeting for all purposes. All legislative sessions of the Council, whether regular or special shall be open to the public.~~

~~All legislative action shall be by ordinance except where otherwise required by the Constitution or laws of the State of California. The Council shall keep a journal of its proceedings which shall be a public record. On the passage of every ordinance the vote shall be taken by yeas and nays and entered upon the journal and no ordinance shall be passed without concurrence of a majority of the members elected to the Council. The proceedings of the Council shall be public and citizens shall have a reasonable opportunity to be heard. The first meeting of the Council shall be held at ten o'clock A.M. on the first Monday after the first day in December following its election. All subsequent meetings shall be held pursuant to adjournment, or in accordance with a rule adopted by the Council which may be amended at any time. Special meetings shall be held on the call of the Mayor or on the written request of any three Councilmen, upon twelve hours' notice to each member, to be served personally by written notice; provided, however, that such notice may be waived by the written consent of all the Councilmen.~~

PR-09L0-13

Section 16: Introduction and Passage of Ordinances and Resolutions

~~Ordinances shall be introduced in the Council only in written or printed form. All ordinances, except annual appropriation ordinances and ordinances codifying or rearranging existing ordinances, shall be confined to one subject, and the subject or subjects of all ordinances shall be clearly expressed in the title. Ordinances making the annual tax levy, the annual appropriation ordinance, any ordinance calling or relating to elections, ordinances recommended by the City Manager or other independent department heads transferring or appropriating moneys already appropriated by the annual appropriation ordinance, ordinances establishing or changing the grade of a public highway, and emergency ordinances as defined by Section 17 of this Charter, may be passed by the Council on the day of their introduction. Other ordinances, however, shall be passed only after twelve (12) calendar days have elapsed between the day of their introduction and the day of their final passage. Each ordinance shall be read in full prior to the final passage of such ordinance, unless such reading shall be dispensed with by a vote of not less than a majority of the members elected to the Council, and not then unless there shall have been available for the consideration of each member of the Council and the public prior to the day of its final passage a written or printed copy of said ordinance. The yeas and nays shall be taken upon the passage of all ordinances and entered upon the journal of the proceedings of the Council. The yeas and nays shall be taken and entered upon the passage of all resolutions receiving a split vote, or upon the request of two or more members of the Council. The enacting clause of ordinances passed by the Council shall be "Be it ordained by the Council of The City of San Diego." The enacting clause of ordinances submitted by the initiative shall be "Be it ordained by the People of The City of San Diego."~~

Section 17: When Ordinances and Resolutions Take Effect. Emergency Measures

~~Ordinances making the annual tax levy, the annual appropriation ordinances, ordinances calling or relating to elections, and emergency measures, shall take effect at the time indicated therein. All other ordinances passed by the Council shall take effect at the time indicated therein, but not less than thirty days from the date of their passage. Ordinances adopted by vote of the electors shall take effect at the time indicated therein, or, if no time be specified, then thirty days after their adoption. An emergency measure is an ordinance to provide for the immediate preservation of the public peace, property, health, or safety, in which the emergency claimed is set forth and defined in the preamble thereto. The affirmative vote of at least two thirds of the members elected to the Council shall be required to pass any ordinance as an emergency measure. No measure making or amending a grant, renewal or extension of a franchise or other special privilege shall ever be passed as an emergency measure. No situation shall be declared an emergency by the Council except as defined in this section, and it is the intention of this Charter that compliance with such definition shall be strictly construed by the courts.~~

~~Resolutions shall become effective immediately upon their passage, unless otherwise stated therein.~~

Section 22: Interference by Individual Members of Council with Administrative Service Prohibited

~~(a) No member of the Council shall directly or indirectly by suggestion or otherwise attempt to influence or coerce the City Manager or other officer appointed or confirmed by the Council in the making of any appointment to, or removal from, any city office or employment, or the purchase of any supplies, or discuss directly or indirectly with any candidate for City Manager the matter of appointments to City Offices or employment, or attempt to exact any promises from such candidate relative to any such appointments.~~

~~(b) Except for the purpose of inquiry, the Council and its members shall deal with that part of the administrative service for which the City Manager is responsible solely through the City Manager or his designated representative and not through his subordinates.~~

~~(c) A violation of the provisions of this section by any member of the Council shall constitute a misdemeanor for which the offending member may be removed from office by the Council or for which the offending member may be tried by any court of competent jurisdiction and if found guilty the sentence imposed shall include removal from office.~~

Article IV
The Mayor

Section 24: Mayor

~~The Mayor shall preside at the meetings of the Council and perform such other duties as may be prescribed by this Charter or as may be imposed by the Council, consistent with the duties of the office of Mayor. The Mayor shall have no power of veto, but shall have a vote as a member of the Council. The Mayor shall be recognized as the official head of the City for all ceremonial purposes, by the courts for purpose of serving civil process, for the signing of all legal instruments and documents, and by the Governor for military purposes.
